SUBJECT: SUBJECT: FORMAL INVITATION TO ATTEND THE  
WASHINGTON INTERNATIONAL CONFERENCE ON RENEWABLE ENERGY  
(WIREC) MARCH 4-6, 2008

REF: A) STATE 138428 B) STATE 80334

-----  
ACTION REQUESTS  
-----

**¶1.** Action Requests: OES apologizes for this short-fuse request. We have only just learned that Mongolia is interested in attending WIREC and given that the conference is now less than two weeks away, and the delegates will need to make their travel arrangements urgently, we are asking post to move very quickly to deliver the requested invitation. Ambassador or appropriate senior post official is requested to deliver the text in paragraph 4 as a letter over post Official's signature to either Mongolia's Foreign Minister or, if known, Mongolia's designated Minister-level head of official delegation to WIREC 2008. Post at its discretion may cc other ministers who have indicated an interest in attending WIREC. Post is asked to confirm delivery of the letter via return cable. Please include name and contact information for post's WIREC POC in the response cable.

**¶2.** Post is requested to inform the government of Mongolia that Official Individual Country Ministerial-level delegations may consist of a maximum of 10 individuals per country, composed of up to three Ministers, including the Ministers of Foreign Affairs, Energy, Agriculture, or Environment (or the equivalent Ministers covering those portfolios) and three sub-national government representatives. We defer to each country's Minister of Foreign Affairs (MFA) to determine their country's precise makeup of the 'Official WIREC Ministerial Delegation,' as well as to inform us of their 'Head of Delegation,' assuming more than one Minister-level delegate is part of that country's official delegation. However, we appreciate Embassy engagement with the MFA to ensure that the delegation is comprised of appropriate Ministers and sub-national government representatives.

**¶3.** Ministry of Fuel and Energy official Dulguun Damdin-Od contacted a USDA official in the WIREC Interagency Working Group to request an invitation for Mongolia. Damdin-od requested assistance with obtaining visas on short notice. He indicated that the Mongolian delegation would consist of:

-- Mr. Enkhtaivan Tundev, Vice Minister for Fuel and Energy (with his spouse Mrs. Dorjsuren Choijil)  
-- Mr. Enebish N., Director of the National Renewable

Energy Center under the Ministry of Fuel and  
Energy of Mongolia

TEXT OF LETTER  
-----

14. Begin text of the letter:

Dear Mr./Madam Minister: (or other appropriate salutation)

The U.S. State Department will host the Washington International Renewable Energy Conference (WIREC 2008) in Washington on March 4-6, 2008. WIREC 2008 is the third global ministerial-level event on renewable energy after Bonn in 2004 and Beijing in 2005. WIREC will serve as a global platform for ministers and senior leaders from the private sector, sub-national governments, and civil society to discuss and share information about the benefits of renewable energy, identify best practices and barriers, and consider policy options and measures needed to encourage the rapid development of renewable energy in their countries.

I am pleased to invite (insert name of country) to send an official delegation to WIREC 2008. Approximately 2,000 delegates will participate in the three-day conference at the Washington Convention Center, and we envision participation by U.S. Cabinet secretaries and senior White House officials.

In the spirit of the International Action Program that was agreed to at the Bonn Conference, I am inviting your government to consider making a voluntary national pledge at WIREC to accelerate the deployment of renewable energy in your country. The consolidation of national governments' pledges, as well as pledges from other major stakeholders (sub-national governments, international organizations, the private sector, civil society, and multi-stakeholder partnerships) will be one of the major outcomes of WIREC.

I look forward to your official delegation's active participation in WIREC 2008.

Sincerely,  
(insert name of Ambassador or appropriate senior embassy official)

End text.
